

Strike-Avoiding Settlement Made By Mine Owners

Includes Raise In Miners' Pay, Pension Awards

Washington, June 25—(AP)—John L. Lewis signed a new contract with two thirds of the soft coal industry today, giving the miners a pay boost of \$1 a day and setting up a \$100,000,000-a-year welfare and pension fund.

All of the operators who have contracts with Lewis' United Mine Workers signed the new one-year pact except the steel industry.

Effective July 1, the contract takes off the threat of a nationwide strike; industry representative estimated roughly that it would raise the cost of producing coal 40 or 50 cents a ton. The eventual retail price change could be higher.

The producers who made the contract with Lewis in less than 48 hours, after they finally started Wednesday night under government prodding, mine 400,000,000 tons annually.

A clause giving Lewis the same union ship agreement as last year caused the steel industry, which owns many coal mines, to balk. Harry M. Moses, negotiator for the steel group, walked out of the signing ceremonies, telling reporters he would not agree to the union shop provision. He held it violated the Taft Hartley act.

"Steel" Mines May Go Out

If U. S. Steel Corporation and other firms with "captive" mines continue to refuse to meet the Lewis terms, a strike is almost certain to occur at their pits. They produce 50,000,000 tons annually—about one tenth of the nation's output. All of their coal goes to stoke the steel furnaces.

The new agreement doubles the welfare royalty from 10 cents to 20 cents per ton of coal mined. This is enough to yield \$100,000,000 a year for pensions of \$100 a month to aging miners, and to provide hospital and medical care and other benefits for mining families in distress.

Agreement Follows Court Ruling

The sudden agreement followed a court ruling on Tuesday by Justice T. Alan Goldsborough which broke the long deadlock over spending the \$45,000,000 which had accumulated from the 10 cent royalty over the past year. Differences between Lewis and operator trustee Ezra Van Horn stymied the pension and other benefits which the contract called for.

Goldsborough sided completely with Lewis in his fight and the operators were forced to meet the mine chief's first condition for negotiating a new contract—that they agree to release the 1947 welfare money.

The estimate of 40-50 cents a ton price increase was based on added labor costs figuring out to \$750,000 a day, \$45,000,000 a week, and more than \$225,000,000 a year.

Harvester Resumes Wage Talks With 40,000 Men Today

Chicago, June 25—(AP)—Wage negotiations involving 40,000 workers in 12 International Harvester company plants will be resumed tomorrow between the company and the CIO-United Farm Equipment and Metal Workers union.

A company spokesman said the company had yielded on its former policy of refusing to negotiate while a wild-cat strike is in progress at Harvester's Auburn, N. Y., plant.

Gerald F. Heide, director of the union's Harvester council, said UFW members are now working under a 30-day contract extension period which expires June 28. The union's policy Heide said, is "no contract, no work."

Heide said UFW members in five Chicago Harvester plants will hold a mass meeting Sunday.

Dewey Will Have Woman In Cabinet

Philadelphia, June 25—(AP)—There will be a woman in the president's cabinet if Gov. Thomas E. Dewey is elected.

Dewey said, "definitely yes," when asked at a news conference today if he would put a woman in the cabinet.

She would become the second woman in history to hold such a job. Frances Perkins, named secretary of labor by Franklin D. Roosevelt, was the first.

BOGART, BACALL EXPECTING

Hollywood, June 25—(AP)—Actor Humphrey Bogart and his wife, Lauren Bacall, announced today that they are expecting a baby, their first, sometime next January. Bogey, 47, and Lauren, 28, were married in 1945.

Louis Wins By 11th Round KO; Announces Retirement

BULLETIN

Yankee Stadium, New York, June 25—(AP)—Heavyweight Champion Joe Louis tonight announced: "For my mother—this is for her—tonight was my last fight."

By Jack Hand

Yankee Stadium, New York, June 25—(AP)—The savage Joe Louis of 10 years ago lived again for a few violent seconds tonight as the Brown Bomber knocked out Jersey Joe Walcott in 2:56 of the 11th round of his 25th defense of the heavyweight

championship he had held longer than any other man.

Raining destruction on the stunned challenger with a furious right hand attack, the champion bombed Walcott to the floor for the first and only time after he pinned him on the ropes. Wobbly and dazed, Jersey Joe tried vainly to scrape himself off the canvas but could not beat the count of Referee Frank Pfuller.

Early Action Slow

The crowd of 42,667 which had booed intermittently through slow early action, paid a gross gate of \$841,739.

For 10 earlier rounds he had chased the jiggling challenger who had floored him for a one-count in the third round with a right to the head. Boos from the big throng echoed through the stadium as Jersey Joe danced and three-stepped away from the advancing champion.

Twice the referee warned the boys to "get in there and fight."

Louis Battered

One of the greatest champions the ring had known, Louis was a badly battered sight in the early rounds with his left eye swollen half shut from Walcott's stabbing left.

Twice he caught Walcott and let him get away after refusing to chase him in the first part of the scrap. (Continued on Page Eight)

Dewey Searching For New National GOP Chairman

Philadelphia, June 25—(AP)—Gov. Thomas E. Dewey was reported today to be shopping around outside New York state for a new chairman of the Republican national committee.

The G.O.P. presidential nominee told a news conference he had not made up his mind. So the selection was left wide open. A meeting of the committee is scheduled for tomorrow.

For purposes of geographical pull, someone from the midwest or west might help the party more than a New Yorker. Or it might be somebody from a state with a big block of votes, like Pennsylvania.

Presumably some member of the national committee would have the inside track.

Harry Darby of Kansas was one possibility mentioned in that connection. He has been a Dewey supporter for a long time.

There was talk for a while of Walter S. Hallahan of West Virginia, but he told friends his health is poor and he wouldn't want the job. Dewey still might have to turn to a New Yorker. Among his own managers, Herbert Brownell and J. Russell Sprague say they don't want it. That leaves Edwin F. Carroll.

Bad Check Charge Puts Young Couple On Year Probation

Chicago, June 25—(AP)—A newly married couple from Davenport, Ia., was placed on probation for a year today on charges of passing worthless checks.

They are Bruce Roseberry, 29, and Shirley Tart Roseberry, 19, his bride of four months.

Mrs. Roseberry appeared in Women's court on 18 charges of obtaining money under false pretenses through worthless checks, and one of defrauding an innkeeper. Her husband appeared on two charges of obtaining money under false pretenses and three of defrauding an innkeeper.

Judge John R. McSweeney granted them probation on one false pretense charge against each. He continued the other charges a year.

The couple's parents appeared in court and reported they had made full restitution of about \$4,000 to the complainants.

The Roseberrys were arrested May 17 while living at the swank Edgewater Beach hotel. Many of the checks were passed at fashionable dress and hat shops on North Michigan avenue.

Roseberry pleaded guilty and his wife innocent. She was convicted in a bench trial.

Slavs Arrest Five GI's For Swimming In Wrong Water

Washington, June 25—(AP)—Five American soldiers who went swimming in troubled waters got caught by the local cops and were hauled off to an alien clinic today because the center of a diplomatic to-do between the United States and Yugoslavia.

The State Department told the story—an "ole swimming" hole" yarn with an international twist. The five were arrested in the Yugoslav area of the Free Territory of Trieste June 16 and have not yet been released.

The State Department said they have been held too long. It ordered Ambassador Cavanish Cannon at Belgrade to deliver an indignant protest and demand freedom for the boys.

Meanwhile, a spy angle has developed. A few days ago, according to the State Department, a communist newspaper in Trieste published stories that the five men were espionage agents.

The communist paper, for a reason best known to itself, gave its report of the incident a festive air by publishing a picture of the five soldiers in detention. It did not show them looking glumly out of barred windows. It showed them drinking beer with their guards.

Alcoa, CIO Reach Wage Agreement; Company Ups Price

Pittsburgh, June 25—(AP)—A new wage agreement was reached today between the Aluminum Company of America and the CIO-United Steelworkers union providing pay hikes of 10 to 16 cents hourly for 18,000 CIO workers.

The aluminum company immediately announced it would increase its basic price for aluminum by one cent per pound—the first such increase in 11 years.

The current increase brings the price of 99 per cent aluminum pig to 15 cents per pound, and of the large-size 99 per cent ingot to 16 cents a pound.

"Alcoa is most reluctant to make these upward price adjustments," a company statement said. "... Alcoa cannot continue to withstand the effect of advancing cost factors."

A statement by President Philip Murray of the steelworkers union and the CIO, said the settlement provided an average wage increase of 10 per cent.

Under the agreement, all terms of the present contract are extended until May, 1950 with the steelworkers reserving the right to reopen the wage clause next year.

The CIO statement emphasized the steelworkers were "reserving the right to strike on wages and wage inequities, in 1949."

The new agreement headed off a strike which had been set by the union for Sunday midnight.

Alcoa confirmed a report that it had made the same offer to the AFL Aluminum Workers Union representing 6,500 employees in four company plants. The union locals have not yet voted on the offer.

IRISH LASS TAKES LONG WAY HOME

Shannon, Eire, June 25—(AP)—The Irish weather is beginning to get Irish. A U.S. plane was blown off course by a storm.

Miss Fleming was for Trans-World Airlines. Two days ago she caught a plane from Paris, intending to land at Shannon and go to her home in Dublin.

Shannon airport was closed in by weather. The plane flew on to Gander, Newfoundland. Miss Fleming caught the next plane out of Gander for Shannon. Again Shannon was closed by weather. The plane flew on to Paris. That leaves Miss Fleming right back where she started after a 5,000-mile trip.

Dewey-Warren Ticket Set After All-Night Conference

North Shore Strike Settled; Railway Service Pending

Chicago, June 25—(AP)—The three-month strike on the North Shore electric railroad was settled today, but prospects for resuming train service hinged on company sessions with the Illinois Commerce Commission.

The line, the Chicago, North Shore and Milwaukee railway, said its bus operations in Waukegan and North Chicago would start up Monday. But train service between Chicago and Milwaukee and intermediate North Shore communities will await outcome of a conference with the ICC. The company said it had hopes of meeting with the commission Monday.

The strike ended today when an AFL union voted to accept the company's latest proposal for a 15 1/2 cents an hour wage raise retroactive to Dec. 1, 1947.

Six other unions had accepted a previous offer of the raise which would become effective on resumption of service. The AFL union, the Amalgamated Association of Street, Electric Railway and Motor Coach employees, Division 900, held out for retroactivity to Sept. 1, 1947, as recommended by a presidential emergency board.

The compromise was accepted in a rank and file vote, in which 293 of the AFL workers voted in favor of settling the strike and 31 voted against it. One hundred members did not vote.

Besides the wage raise, the accepted offer included six points, recommended by the presidential board, which the company previously had rejected.

Award \$95,000 To Boy Injured By Suburban Train

Chicago, June 25—(AP)—An 11-year-old boy has been awarded \$95,000 damages for permanently crippling injuries suffered when struck by a North Shore Line train.

He is John A. Villase of suburban Wilmette who sued for \$300,000. Because the claim was settled yesterday with the line, the Chicago North Shore and Milwaukee suit will be dropped.

The boy was struck Sept. 27, 1947, at 11th street and Greenleaf avenue, where the trains run on the street. The toes of his right foot were severed, his right leg and arm were paralyzed, his skull was fractured and the cranial nerve injured.

Judge J. E. Richards of Probate Court directed that \$80,000 of the award be invested and turned over to the boy when he is 21.

Forecaster Says Summer's Weather Will Be 'Awful'

Fair Lawn, N. J., June 25—(AP)—Long-range weather forecaster George J. McCormack, who predicted last winter's big snow months before it came, says this summer's weather will be awful.

McCormack, who does it all by astro-meteorology, said the season's best vacation weather would be during the third week of July, the first two weeks of August up to August 18 and the second week in September.

"Some of the hottest weather is scheduled for the end of June into the opening days of July from Mississippi Valley westward to the continental divide and in the southwest. But the heat wave will be broken during the second week of July, about July 11-12."

"On July 4 holiday week-end," McCormack concluded, "thunderstorms and local squalls originating in the Mississippi Valley on the 2nd will move eastward toward the Atlantic from July 3 to July 5."

Poland to Get Railway Equipment

Washington, June 25—(AP)—The Commerce Department today authorized export of \$12,000,000 worth of railway equipment to Poland in aid of a government plan to develop a U. N. spokesman disclosed the European Recovery Plan nations.

Shipment of this equipment had been held up since March 1, when the department clamped down a virtual ban against export of industrial goods to the Soviet bloc countries.

HONOR MACARTHUR

Convention Hall, Philadelphia, June 25—(AP)—A resolution of "gratitude and appreciation" for the "heroic role" Gen. Douglas MacArthur has played in war and peace was one of the last bits of business at the Republican convention. It went through unanimously.

The Toggenburg is the most popular breed of goat in America. It originated in Switzerland.

Says Warren, If Elected, Will Be No 'Throttlebottom'

By Max Hall

Philadelphia, June 25—(AP)—The Republican firm of Dewey & Warren hinted today that if they are elected, Earl Warren will be no Throttlebottom.

Throttlebottom was the bewildered vice-president in the Broadway musical show who couldn't find any duties to perform.

Warren was chosen G.O.P. vice-presidential candidate today, first by Thomas E. Dewey and his advisers and then by the Republican convention.

Appears With Family

He appeared on the platform with his blonde wife and three blonde daughters and pledged to work with Dewey to make the government "humane" and "responsive to the people at all times."

Later Dewey and Warren held news conferences.

Dewey said he hopes Warren can take a "large part" in the "tremendous" job of reorganizing the government.

Old-time political reporters didn't get too excited. It's not unusual for a presidential candidate to say he's going to find something for his vice-president to do.

Warren Quite Serious

But Warren isn't taking it lightly. He was asked if Dewey's plan to expand the powers of the vice-presidency played a part in his decision to accept the nomination.

He said it "definitely did." He said also: "One of the weaknesses of our form of government is that the vice-president has so few administrative duties to perform."

Incidentally, he said he won't resign as governor to make the vice-presidential race.

Illinois Methodist Group Opposes Peacetime UMT

Chicago, June 25—(AP)—The Rock River conference of the Methodist church, comprising 382 congregations in Northern Illinois, today adopted a resolution opposing "any system of peacetime universal military training."

The group, headed by Bishop J. Ralph Magee of Chicago, voted to notify all Northern Illinois congressmen that "we hope and pray for the early repeal of the draft act" recently passed by Congress.

The resolution stated the Methodist conference feels that voluntary enlistments could be stepped up sufficiently to meet present needs "if adequate means were used."

"We know of no valid reason for the adoption at the present time of selective service," the resolution said.

The meeting, which opened Wednesday, will close Sunday with the ordination of new ministers and the reading of their pastoral appointments.

Tomorrow, designated "Youth Day" by the conference, the election and installation of officers will climax the day's sessions.

SEIZE MAIL BOMBS

Caracas, Venezuela, June 25—(AP)—Minister of Interior Eligio Anzola told a news conference today police had found 30 packages containing bombs which revolutionists had planned to mail to President Romulo Gallegos and other government officials.

UN Charges Egyptians Violate Israel Truce

By James N. Long

Tel Aviv, Israel, June 25—(AP)—Jewish authorities were advised by the U. N. truce mission here today they were "free to act as they thought fit" to push a convoy to the Negev desert in southern Palestine, an Israeli announcement said.

A communique issued tonight said the Israel government would take action "in a manner and at a time and place which its general staff will deem suitable."

The announcement concerning the truce mission's attitude was made after a U. N. spokesman disclosed the Egyptians had refused to let a convoy pass and had fired on a white U. N. plane piloted by an American, Lt. Col. M. L. Martin.

(Prime Minister Mahmoud Fahmy Nokrasy Pasha of Egypt, told Cairo newsmen tonight the Egyptian pilot opened fire against the plane because "he suspected it was an enemy plane.")

The Israel government also charged the Egyptians with breaking the truce by bombing two Jewish settlements south of Tel Aviv.

Round Up Irgunists

These developments came as Palmach shock troops of the government continued to round up hundreds of dissident Irgun Zvai Leumi soldiers who have deserted the

army and gone underground as part of an illegal armed political party.

A series of heavy explosions south of Tel Aviv last night and early today raised reports that the army was attacking Irgun strongholds at Abu Kibir. Reports circulated that orders had gone out to bring in Menachem Begin and other known Irgun leaders.

The alleged Egyptian truce violations also coincided with reports from Rhodes that Count Folke Bernadotte, the U. N. mediator, was nearly ready with proposals for a permanent Palestine peace.

Stop UN-Approved Convoy

The U. N. spokesman said Egyptians violated the truce when they refused to let a U.N.-approved convoy pass an Egyptian post near Beit Daras enroute to Jewish settlements in the southern desert. He said Col. Count Thord Bonde, head of the U. N. truce mission, went through the lines and so informed the Egyptians.

He further told the Egyptians U.N. truce observers were being withdrawn from the Egyptian zone because of lack of respect shown them.

U. N. observers took the view that the breach did not invalidate the general Palestine cease-fire, which has been observed for two of its four weeks, and did not involve any resumption of armed conflict.

Running Mate Named By Acclamation

Convention Hall, Philadelphia, June 25—(AP)—The Republican national convention swiftly placed Earl Warren by the side of Thomas E. Dewey today for the free-for-all 1948 election campaign.

With the help of a "brains board" sitting like Supreme Court justices, Dewey hand-picked Warren for the vice presidential nomination.

One by one, other top men had been considered during a long night of conferences, and all but Warren were crossed off the list.

Named By Acclamation

The convention itself sealed the decision without even a roll call vote. Warren was nominated by acclamation.

".....I Accept."

"For the first time in my life," Warren said in his short acceptance speech, "I know what it feels like to be hit by a street-car."

"Yesterday I received something of a jolt. I had no idea, I assure you that there was any such shock as this awaiting me today. And before you change your mind, I want to say—I accept."

Then the convention went out of business for another four years.

Delegates packed and headed for home. The hotel headquarters where one-time presidential hopefuls had rallied their followers had the dead, littered look of the morning after New Year's eve.

Only July 12 the Democrats take over, in the same hall, and in the same convention hall, probably to give President Truman a chance for a full four-year term in the White House.

But the G.O.P. is dead sure that this is a Republican year, that the Dewey-Warren team can't be beaten. Confidence and cockiness ruled the convention which adjourned early this afternoon.

All-Governor Ticket

Just as it did four years ago in Chicago, the party picked an all-governor ticket. But this year it was a coast-to-coast hook-up—Dewey of New York, Warren of California.

In 1944, it was Dewey and Gov. John W. Bricker of midwestern Ohio.

Bricker, now a Senator, was sort of a sentimental choice for second spot again. Ohio backers made a strong bid for him.

From midnight until dawn, Dewey had held court in his Bellevue-Stratford hotel suite, looking over the field for a running mate. He took a two hour nap, then swung into another three hours of conferences.

Warren Or Stassen

The choice narrowed down to Warren and former Gov. Harold E. Stassen of Minnesota, who said he would have consented to a draft.

A man who had his money on one of the losers told a bit of what was going on in Dewey's quarters.

"It was like arguing a case before the Supreme Court," he said.

Dewey was the chief justice, he said. On either side were members of the "brains board"—men like Senators Arthur H. Vandenberg of Michigan, Leverett Saltonstall of Massachusetts, Raymond Baldwin of Connecticut.

It included, too, the witness said, Gov. Alfred E. DuSault of New Jersey, national committeemen G. M. Owlett of Pennsylvania and Russell Sprague of New York, and Herbert Brownell, a Dewey strategist.

Arizona Causes Flurry

Arizona caused a flurry by saying it intended to nominate Stassen. But Stassen himself passed the tip he didn't want anything like that. Arizona gave up.

Lamar Tooez of Portland, Ore., nominated Warren. He said the Californian would "meet with the enthusiastic approval of the entire nation."

Then it was all over but the shouting. And there was plenty of that. Great waves of cheers engulfed the stadium. Horns and whistles, band and organ, set up a tremendous discord.

In a balcony seat, Mrs. Warren looked on with moist eyes, because women sometimes weep in pride or happiness. Beside her were three pretty daughters—the three sons stayed at home.

Jobless Insurance Claimants Show Slight Upturn

Workers filing unemployment compensation claims in the week ended June 12 advanced slightly to break the downward trend that began in the week ended May 15, State Director of Labor Robert L. Gordon announced today.

"Although 8,008 of the 90,027 claimants registered for the week ended June 5 withdrew their claims there were 9,174 others who filed initial claims, running the weekly total for June 12 to 91,193 persons filing for benefits under the Illinois Unemployment Compensation Act," Director Gordon pointed out. "This figure represents the first advance in the number of claimants filing since May 15 when a similar downturn was checked. Except for these two instances the number of claimants have tapered off gradually since the benefit year

began April 1 when benefits first became payable on 1947 wages. "The upturn was traced almost entirely to the Chicago area where 5,268 persons filed initial claims while 4,335 job-seekers discontinued their claims," Gordon disclosed. "This left a net increase of 933 claimants in the Chicago area out of the state-wide boost of 1,166 persons on the rolls for the week ended June 12. Vacation layoffs in many plants and seasonal shutdowns in certain manufacturing industries like the shoe, clothing, and confectionery lines are tending to steady the claims volume, a trend that may be expected to continue through the remaining summer months.

"Although benefits are not payable to workers while they are on paid vacations," Gordon explained, "a worker who is not entitled, by seniority or tenure with his employer, to a paid vacation may qualify for benefits providing he files his claim immediately upon the beginning of his so-called vacation period and makes himself available to accept any offer of suitable work tendered him during such vacation layoff."

Super-Cargo Planes Can Carry 222 Soldiers

The Douglas C-124 cargo aircraft, recently ordered for the U. S. Air Force, shows the great variety of loads it can carry. The big craft, 2½ times larger than the war-famous C-54, has a built-in nose ramp, enabling it to accommodate heavy tanks, field guns and even bulldozers. Operating from the same size field as the C-54, the new plane is said to be able to carry a load of 50,000 pounds, or 222 fully-equipped troops, for a distance of 1200 miles and return.

Bancroft's Experiences With GOP Conventions Date Back To 1888

By a Journal Courier Staff Writer

Convention Hall, Philadelphia, June 25.—One of the landmarks of the Republican National Convention in Philadelphia is Horace H. Bancroft of 134 Westminister street, Jacksonville. Bancroft has attended every convention in official capacity since 1908. He witnessed the nomination of McKinley in St. Louis in 1896 after his graduation from Illinois college.

But his experiences with Republican conventions go even further back. In 1888 he traveled from Jacksonville to Indianapolis with "Uncle Tommy" Barber's drum corps, which traveled under the imposing name of "The Jacksonville Juvenile Zouaves," to perform at the famed "Front Porch" campaign of William Henry Harrison.

Old "Uncle Tommy" was then in his 80th year, Bancroft recalled, and the eldest of the thirty members of the drum corps was 17. The corps made an immediate hit with Mrs. Harrison who chartered a street car and gave Indianapolis a taste of Morgan county music.

Two Dollar Fare
This was in August of 1888. At that time the round trip fare between Jacksonville and Indianapolis was a flat two bucks, and according to Bancroft, the Wabash ticket office sold some 1700 tickets at the local depot for the occasion. This group traveled to Indiana in a thirty coach train, broken into three sections of ten cars each. To inform the countryside of arrival of the train, the last section boasted of a cannon, pulled on a flatcar. Mr. Bancroft doesn't say whether this was used for Democrats, or was fired indiscriminately.

All the kids in the drum corps got to shake hands with the great general, even then a legendary figure, Harrison, all will recall, was elected.

Other Members of Corps
Some of the other members of the corps were Frank Vickery, now of Springfield, Dr. W. B. Young of Alamo, Texas, Reverend Clyde Hav of Maywood, Illinois, the late Obed Reeve, the late Dick Dye, the late Clarence Fairbank, the late Henry Kirby, Fred Fairbank, Ernest and Percy Osborne, all of Jacksonville, Edward Elliott, California and the late Ed Jones made that trip.

The drum corps was entertained at the New Denison Hotel in Indianapolis by the Wright Brothers who had been Morgan county residents.

Bancroft's most thrilling convention, he says, was in 1912. This was the year that the great Teddy Roosevelt broke from the party to form the short lived Bull Mooseers. The big fight came in the Chicago Coliseum where a contest was staged over the election of a temporary chairman for the convention. The Taft forces succeeded in electing Elihu H. Root of New York City on the 104th ballot. Root beat Governor McGovern of Wisconsin, backed by T. R.

Given Special Medal
Bancroft remembers the occasion because he was the one who called the roll. Delegates insisted that the convention be polled. This meant that each name had to be called, and in some cases, the names of the alternates. It took four hours, Bancroft said, to get completely through the roll. All this before the day of sound amplifiers! Approximately 800 delegates then attended the convention.

In 1940 the Republican National Committee, in recognition of Mr. Bancroft's long faithful service, had a special medal struck for him with

Former Air Corps Chaplain To Speak At Church Sunday

The Rev. Robert Williams, who has just returned to the United States after serving several years as an Army Air Corps chaplain in the Philippines and in Japan, will preach the sermon Sunday morning at Central Christian Church. Mr. Williams will use as his theme: "Christ in the Orient." Those who have heard Mr. Williams speak from his experiences state that he has an unusually interesting and challenging message.

Jacksonville people will remember him as the son of the Rev. W. W. Williams of Roodhouse. He attended Illinois College prior to entering the chaplaincy and has served the Lynnville and Woodson Christian churches as minister.

He and Mrs. Williams and two daughters, one of whom was born in Japan, returned to the states just a few weeks ago. Mr. Williams plans to enter Texas Christian University at an early date for further study in the Bible College of the Bible, the seminary connected with that university.

The Rev. Roy S. Hulan, who will conduct the worship service, extends a cordial invitation to the public to attend and hear Mr. Williams who was endorsed by the congregation of Central Christian Church for the Christian ministry, at the time of his ordination. Church starts at 10:45 a. m. CDT.

The music of the morning will be brought by the Morgan County Four composed of Harold Kamm, Alvin Middendorf, Edwin Gordon, and Alvin Lovekamp. Mrs. Charles Geisler will be at the organ console.

She Almost Missed the Boat

Marie Moyson, 68, is hoisted aboard the French liner De Grasse in New York harbor after she almost missed the Paris-bound vessel. Arriving at the pier moments after the ship sailed, Mrs. Moyson hired a tug and managed to catch it. Willing hands helped her aboard after she nimbly climbed the ladder from tug to liner.

\$11,500 Damages
Asked As Result
Of Collision

Thaddeus R. Skeer is plaintiff in a law suit filed in circuit court Thursday under the Dram Shop Act of Illinois in which he asks \$11,500 damages for an automobile accident which occurred December 24, 1946 on route 67, five miles south of the city.

Named as defendants in the suit are John W. Steele, Ray Steele and Ralph Steele, operators of Steele's tavern, and J. A. Lonergan and Glenn Barwick, operators of the

Lonergan and Barwick Tavern. Also named in the suit are George Ferreira and George F. Dorwart, owners of the buildings which house the two taverns.

The suit alleges that Timothy A. Murphy as a result of purchases of intoxicating liquors at the two taverns became intoxicated and was operating his car in a negligent fashion when it struck the vehicle driven by the plaintiff. The collision, according to the suit, caused the plaintiff's car to overturn and be struck by a car driven by Mabel M. Gregory who was traveling behind the Murphy vehicle at the time of the accident.

Skeer alleges that as a result of the accident he suffered personal injury and damage to his car in the amount of \$11,500.

Wilson and Wright are attorneys for the plaintiff.

The show will be sponsored by Jacksonville Elks Lodge No. 682 and B. M. Montee, manager of the Jacksonville Fox theaters is making arrangements for the showing.

In addition to the feature movie, several unusual short subjects will be exhibited including a featurette, "Thunderbolt"; and "Our American Heritage," the property of the Freedom Train.

Body Of Lt. Leake
En Route Home;
Killed In Europe

The body of 1st Lt. Charles W. Leake who lost his life in defense of his country in World War II is en route home from Europe according to a telegram received from the government Thursday by his parents, Mr. and Mrs. James E. Leake of route one, Jacksonville.

The remains will be taken to the Williamson funeral home upon arrival here according to the instructions of the deceased's parents.

Leake who was 23 at the time of his death enlisted in the army in 1940 at the age of 19 and later transferred to the Army Air Corps. He was commissioned in July of 1943 and went overseas in October of the same year. His death occurred March 24, 1944.

Lt. Leake was born seven miles west of the city and lived with his parents there until his entry into service. Surviving are four sisters: Mrs. Helen L. DeWitt, Niantic, Ill.; Mrs. Viola M. Priest, Chicago; Mrs. Irene Laughery of Jacksonville, and Mrs. Mary Maul of Liberty, and one brother, John E. Leake, at home.

SUNDAY SPECIAL

Fried chicken and home made bread. Fresh strawberry short-cake. Across from Passavant hospital. Scott's Cafe.

The chief purpose of the show is to instill a deeper appreciation of the meaning of Independence Day in the hearts and minds of all citizens. However, Mr. Montee assures everyone that the program will not lack entertainment value as it was made up with the idea in mind of combining both entertainment and the importance of keeping the spirit of Independence Day alive.

The jubilee shows began last year on the west coast and will be held in 500 towns across the nation this year, including several in this part of the state.

Souvenirs For Patrons

All who attend the show will receive a souvenir, a beautiful painting of the signing of the Declaration of Independence with a description of the historic event printed on the back of the picture.

Members of the Elks lodge working with Mr. Montee in putting on the program include Robert A. Fay, chairman of the publicity committee, Denham Harney, secretary, and Edward J. Flynn, exalted ruler.

The show will begin at 8:30 a. m. and is expected to run for approximately two and one-half hours.

Woodson American Legion picnic, burgo, dance and radio entertainers. Thurs. July 29.

Bernice Hines Wins Promotion In Civil Service

Miss Bernice Hines, 615 South Diamond street has received a promotion to personnel technician I with the state civil service commission as a result of a recent promotional examination, Robert L. Hunter, commission president, announced yesterday.

In her new position, Miss Hines will consult with authorities in the field to determine the knowledge and skills that should be tested in state civil service examinations, and will prepare the examinations.

A graduate of Illinois college, Miss Hines started with the civil service commission last year as a personnel assistant. She is now doing graduate work towards a master's degree in public administration through the University of Illinois in the in-service training program for state employees. The program is sponsored by the civil service commission.

VFW Asked To Help Administer Draft Law In Illinois

Peoria, Ill., June 25—(P)—Paul G. Armstrong, Illinois draft director in World War II, called for volunteers from the veterans of foreign wars today to help administer the new draft law.

Armstrong addressed the second business session of the 29th annual state encampment of the veterans of foreign wars.

He said he does not think there is any "immediate" likelihood of war but added that the "cold war" now in progress might break into a "hot war" at any time.

He opposed military registration, he said, but "we must have some compulsion to build up our armed forces."

The annual encampment program was on tonight's program. Floats and delegations will represent 525 chapters of the VFW throughout Illinois.

In the early stages Louis was concentrating on the body, sticking left hands to the stomach of Jersey Joe who has known 24 lean and hungry years as a run-of-the-mill battler.

Then he started to go upstairs with the left jab he has been sharpening at Pompton Lakes, N. J. There was no question about the power of those jabs as compared to Walcott's flicking slaps.

Louis Trained at End
At the time of the knockout, just as in the first Billy Conn fight, Louis was trailing on the score cards of two of the three officials. Fullam had the champion out front by a 5-2 margin with three even. Judge Jack O'Sullivan had Walcott ahead 5-4 with one even. Judge Harold Barnes gave the challenger a wide edge, 6-3, with one even. The Associated Press scorecard had it all even, five rounds for each.

But Louis wiped out any disadvantage he may have had on the score sheets with the fury of that right handed assault.

Closes In For Kill
After pinning Jersey Joe on the ropes with a smashing right, he jarred him from head to heels with another right to the head and then cut loose with all the frenzy of a wounded jungle beast closing in for the kill.

Once Walcott sagged and started to go, Louis hammered him to the floor with an attack that he hasn't shown since pre-war days.

Walcott tumbled down and turned on his back. At the count of seven he started to come around and began to pull himself together. At nine, it looked as though he might make it, but Fullam tolled the fatal ten before he could get off the canvas.

Trojans Beat Yale
Kalamazoo, Mich., June 25—(P)—Packing the thrills into the ninth inning when they scored three runs, southern California's Trojans turned back Yale 3 to 1 to win the opening game of the national collegiate AA baseball championship final series today. Pitcher Wally Wood held the Ells to four hits to hang up his 21st win of the season.

Parker Upset At Wimbledon
London, June 25—(P)—Lennart Bergelin, a long-legged Swede with a boarding house reach, pulled one of the classic upsets of Wimbledon tennis history today when he defeated Frankie Parker of Los Angeles in a gripping five-set struggle on the center court.

The 32-year-old American star, seeded first and a heavy favorite to win the singles title, went down by scores of 5-7, 7-5, 9-7, 0-6, 10-8, after more than three hours of play before 15,000 exhausted fans.

The unseeded Bergelin, only 23, is a favorite doubles partner of King Gustav of Sweden.

Stymie Runs Again
New York, June 25—(P)—Stymie, the aging but tough old race track campaigner, steps out tomorrow to try and repeat his 1947 victory in the Aqueduct handicap and net another \$20,000 in his goal to become racing's first million dollar winner.

Mrs. Ethel D. Jacobs seven-year-old Chestnut, out of the money only once in seven races this season, faces seven rivals in the mile and one-sixteenth test.

Most Versatile Star In All Of Circusdom

If circuses conducted a contest to name the girl who best combines talent and versatility and beauty, Norma Davenport would win in a walk—or a ride on a bareback horse, or a swing from a high trapeze, or a walk on an elephant. For the 17-year-old daughter of Ben and Mrs. Davenport, owners of Dailey Brothers Circus, excels in all those departments of big-top achievement.

Norma loves elephants best of all and especially the ten babies in the Dailey Brothers Circus herd of twenty-five. No other circus has so many tiny elephants and a national contest for children is being conducted by the big show with a substantial money prize for naming the littlest of them all—a baby girl elephant only a little over a year old and still being raised on baby food.

The great herds of the Dailey Brothers Circus are not merely ornamental; they perform in the five rings under the longest circus marquee in the world, and they'll all be here when the huge railroad caravan departs its cargo of marvels on Thursday, July 8, and erects a city of tents in preparation for afternoon and evening performances at 3 and 7 p.m.

New York Stock Market

New York, June 25—(P)—Demand picked up a bit in the stock market today after an early slumping spell.

Morning losses in numerous issues were trimmed and in some cases converted into modest gains.

Turnover was slow throughout with the day's volume at a low for the week. Sales were at the rate of about 1,300,000 shares for the full session.

Rails were among the most responsive to only moderate buying. Motion picture and rubber company stocks also did fairly well.

Nickel Plate common, an odds-on favorite earlier this week, rose another 3 points to a new peak for the year.

Lower prices were paid for U. S. Steel, Chrysler, Caterpillar Tractor, United Aircraft, American Telephone and Electric, and Texas Co.

Higher were Paramount Pictures, Twentieth Century-Fox, U. S. Rubber, Firestone, N. Y. Central, Illinois Central, Montgomery Ward, Schenley and Goodrich.

Grease and cotton weakened.

Waverly Tourney Again Rained Out

Waverly—(Special)—The A.S.A. sectional junior tourney semi-finals were rained out again here Friday night. An attempt will be made to play the title Saturday, with the same time schedule prevailing.

If weather forces postponement of the games Saturday, semi-finals and finals will both be held on Sunday.

The Jacksonville Moose Juniors are still in the running.

WHEAT PRICES DROP FOLLOWING REPORTS OF BETTER YIELDS

Chicago, June 25—(P)—Wheat prices dropped today on reports of better yields than had been expected in the southwest and a belief export allocations for the July to September period will be reduced.

Corn and oats also were down. The selling in corn largely reflected the good outlook for the new crop, with some traders pointing out that the current situation resembles that of 1946. In that year a record crop of more than three billion bushels was harvested.

A further reduction in cash prices unsettled oats. Reports circulated that some new crop southern oats from the south were coming here. Soybeans were off as much as 8 cents, the daily limit, at one time. Lard joined grains in the downward march.

Receipts were: wheat 30 cars, corn 63, oats 40 and soybeans 11.

Wheat closed 1 1/2 to 2 cents lower; July 22.15, corn was 1-1/4 lower; July 22.15-3, oats were 1-1/2 lower; July 22.15-3, and soybeans were 5 1/2 to 7 cents lower, July 24.00.

MERCHANTS' GAME POSTPONED BY RAIN

Springfield—(Special)—Rain forced postponement of the Jacksonville Merchants' baseball game with the Harold Framm, Inc. nine at Lamphier park here Friday night.

The two outfits will begin their home and home series later.

Poat Hurls Three-Hit, 7-0, Win For Giants

New York, June 25—(P)—Ray Poat went the distance for the first time since June 6 today, pitching the New York Giants to a 7-0 three-hit triumph over the Cincinnati Reds.

Poat, in gaining his sixth win and third shutout of the year, held the Reds to three hits, fanned four and walked only one.

The Giants won the game in the opening innings when Johnny Mize belted his 15th homer of the season with one on off Young Herman Wehmeier. Mize's long fly ball in the third enabled Buddy Kerr to score from third with the Giant's third run.

Wehmeier was lifted for a pinch-hitter in the eighth and the Giants promptly jumped on relievers Ken Raffensberger and Walker Cress for four runs in the bottom of the eighth.

Nobody Loves Forever

Christmas with all the trimmings. Three nights before the holiday Tom brought home a tree. "It's on the back porch," he told Jessica. "Come out and see it."

He held her arm as they tiptoed through the door and closed it behind them. "Like it?" he asked eagerly. The tree was beautiful. Tom said, "I'll make a stand in the basement and we can bring it in on Christmas Eve."

They were conspirators, planning for Betsy. Jessica took a deep breath of the spicy fragrance of the tree. "Betsy will love it." Her voice almost betrayed her. She wanted to turn and fling herself into Tom's arms and beg him not to make her go away. The very touch of his hand made her heart sing. She wanted to stay here alone with Tom, on the narrow porch with the snow stretching white and unbroken across the garden.

It was Tom who broke the spell. "Well, is supper ready?" They went back into the kitchen. Tom carried a tray upstairs while Jessica set the table. The everyday routine: supper, putting Betsy to bed, listening for any sound in Mrs. Blake's room, thinking again of the consequences to this household should there be any radical change in her condition.

TOM'S voice from the doorway startled her. "Jess!" She turned quickly. Tom said, "There's something wrong with Mom."

Jessica heard him talk over the telephone in the hall. A minute later he went upstairs. He came down again and stood beside her. She wanted to put her arms about him and tell him not to worry, whatever happened she was here and would be here as long as he wanted her. Then the thought that he did not want her chilled her, made her brusque and impatient as she continued to set the table.

It was almost Christmas. Christmas gave Jessica an excuse to delay her preparations for leaving. When Tom suggested that she might have plans to make she said evasively, "There's too much to do right here to think of my own plans. Besides, there's Christmas."

Whatever happened later, she wanted Betsy to have a real Christmas.

She passed the door of that other room which always stood open now, as neat as when Mrs. Blake bustled about hunting for dust. Even she could not criticize my housekeeping, thought Jessica grimly.

Another thought followed as Jessica put back the receiver after calling the doctor. Tom and Lucy could manage without her now. (To Be Concluded.)

Green Says He Didn't Turn Down Nomination, Just Wasn't Offered It

by Louis J. Kramp
AP Special Service

Philadelphia, June 25—(AP)—Governor Green of Illinois, whose delegation to the Republican national convention missed the Albany boat without even trying to catch it, said tonight he didn't "refuse" the vice-presidential nomination—he just wasn't offered it or consulted about it.

Sgt. Bridgeman Funeral Services Will Be Sunday

The body of Sgt. Albert E. Bridgeman, which is being returned home for reburial arrived in this city at 3:26 p. m. Friday on the Gulf, Mobile & Ohio railroad.

Sgt. Bridgeman

Sgt. Bridgeman was born in Cass county, January 18, 1921, the son of Bert A. and Jessie Bridgeman. He graduated from Arenzville high school in 1941 and enlisted in the Air Corps in July of the same year. His death occurred September 8, 1944.

Surviving are his father who lives at 313 W. Douglas avenue, city; two sisters, Miss Mary Bridgeman, at home, and Mrs. Harold Tribble, also of Jacksonville, and a half-brother, Charles Moss of Dallas, Tex.

The remains were taken to the Williamson Funeral Home upon arrival here and will remain there until Sunday when graveside rites will be conducted by the American Legion, V.F.W., and the Amvets at 3 p. m. (CST) at the Arenzville cemetery.

Legion Auxiliary District Meeting Attended By 200

White Hall—Two hundred persons attended the 20th district auxiliary convention, held Wednesday at the First Christian church here. Mrs. Anita Seymour of Chicago, department president, was the convention speaker.

District officers elected for the ensuing year are: Mrs. Mildred McClinck of Greenville, district director; Mrs. Irene Lewis of Virginia, alternate director; Mrs. Trilby Skinner of Jacksonville, treasurer; Mrs. Estelle Grether of Mt. Sterling, historian; Mrs. Edith Newell of Ashland, chaplain; and Mrs. Lorraine Edwards, sergeant-at-arms.

Three members of the Jacksonville high school band left recently to attend the Stephen Collins Foster Music camp, national music camp held annually on the campus of Eastern Kentucky State Teachers college in Richmond, Ky.

Those attending are Jack Woody, son of Mr. and Mrs. John C. Woody, David Pierce, son of Mr. and Mrs. Theodore Pierce, and Charles Grant. Two are being sponsored by the local Band Boosters club and the third by the Jacksonville Lions club. Each received a scholarship paying all expenses from the organization sponsoring him. The boys were chosen on the basis of their work in the Jacksonville high school band this year.

Guard Recruiting Ends As Draft Work Begins

Washington, June 25—(AP)—Recruiting of men for the National Guard was ordered stopped immediately today as military leaders began to coordinate policies under the new draft law.

Army Secretary Royall telegraphed all state adjutants general today to halt recruiting. He explained that there isn't enough money to pay more men, and said Congress will not favor extra appropriations.

The budget for the next fiscal year provides for a total guard strength of 344,000 men. The rush of volunteers this week, mostly draft-age men seeking to avoid the draft, pushed the strength nearer 500,000.

Non-Guardmen To Be Drafted

Under provisions of the draft bill that President Truman made law when he signed it yesterday, men who were not in the guard or other organized reserves by last midnight are subject to the draft, defense of the draft.

But he's very happy," he said, about the Dewey-Warren team. It will help him win a third four-year term as governor next fall, he predicted.

And in 1952, what then? "Well, that's a long way off."

Many Illinois delegates told a reporter they would have liked Harold Stassen for vice-president because of his popular appeal and his midwestern background.

They would have preferred Green over the field for either place on the national ticket. Green might have made it for the presidential nomination if there had been seven or more ballots, said delegate Walter Rosenfield of Rock Island.

Green said he wasn't in on the "brains board" meeting early today in which Governor Dewey gave his blessing to Warren as a running mate.

"Nobody invited me," Green said. It was clear why they didn't. Fifty of the Illinois delegation had stayed with Ohio Senator Taft through the second ballot, loyally following Green's leadership.

As to the vice presidential nomination, they were more in the dark than Green when they reached the hall today.

Surprised At Choice Green obviously was surprised when a reporter gave him the word that Dewey had chosen Warren. So was Senator Brooks. They had heard it might be Ohio's Senator Bricker again.

But it was "all right by us, we'll go for Warren."

From a campaign standpoint, other Illinois delegates saw Warren and his colorful family as a great drawing card.

"We had him once in Rockford, and I know," said Paul Rosenquist, state GOP chairman.

Rosenquist said Dewey will win this time in Illinois, despite his picking four years ago while Green was renamed governor. Why?

"Why? Why, no Roosevelt, that's why."

The Illinois crowd planned a party tonight aboard their special train back to Chicago, leaving at 6 p. m. (CST).

High School Band Members Attend National Camp

Three members of the Jacksonville high school band left recently to attend the Stephen Collins Foster Music camp, national music camp held annually on the campus of Eastern Kentucky State Teachers college in Richmond, Ky.

Those attending are Jack Woody, son of Mr. and Mrs. John C. Woody, David Pierce, son of Mr. and Mrs. Theodore Pierce, and Charles Grant.

Two are being sponsored by the local Band Boosters club and the third by the Jacksonville Lions club. Each received a scholarship paying all expenses from the organization sponsoring him. The boys were chosen on the basis of their work in the Jacksonville high school band this year.

Attended by more than 100 students from all parts of the country, the camp is held from June 13 to July 17. A complete band and orchestra are formed by the boys and girls attending, who combine music study with various camp activities. Concerts are presented by the students each evening in the large open air pit at the college. James E. Van Peursen is director of the camp.

James Welsh, director of the Jacksonville high school band, accompanied the boys to the camp, after which he went to Indiana university to attend summer school.

EXECUTED

Athens, June 25—(AP)—Twenty-six persons were reported executed here this morning. They had been convicted of treason, sabotage or murder.

A cabinet meeting was held today and afterwards Secretary of Defense Forrestal and Secretary of the Army Royall stayed to discuss the draft. Forrestal said he would probably have a statement by next week, but that plans have not been worked out yet.

Appoint Advisory Committee

However, he announced the appointment of a seven-man advisory committee on the draft to coordinate military policies under the manpower act.

Judge L. A. Watt Discusses Wills Before Rotarians

Speaking on the subject of "Wills," Judge L. Allan Watt of Winchester told members of Rotary club Friday that while a will is not always necessary, it often prevents undue hardship on the heirs.

One of the advantages of a will, he said, is the opportunity for a person to name his executor. Estate planning, another benefit, enables the person writing a will to set up his estate to the best interest of the heirs and to take full advantage of the inheritance tax laws.

Judge Watt pointed out that many people believe a written notation by them will serve as a will. To be admitted to probate, a will must be witnessed and signed by two disinterested parties. The writer of the will must be more than 18 years of age and must be free of restraint and undue influence.

The speaker was introduced by Walter Bellatti, president of the club.

Couple Observes 8th Anniversary Of Wedding Date

White Hall—Mr. and Mrs. John Goodall observed their eighth wedding anniversary Thursday. Thursday also marked the 28th birthday of Mr. Goodall and the seventh birthday of their daughter, Temra Goodall.

Lee Erb of San Diego visited Tuesday in the home of Dr. and Mrs. H. W. Broberg. Mr. Erb was enroute to California after having spent Monday in Washington, D. C., visiting his daughter, Mrs. Catherine Berg. He returned to San Diego Wednesday.

Mr. and Mrs. R. J. Brown of Normal spent Wednesday with Mrs. Brown's mother, Mrs. Cora Winn. Billy Broberg, son of Dr. and Mrs. H. W. Broberg, spent the past week here with his parents. He will attend summer school at the University of Illinois and will be graduated in August with a B.S. degree.

White Hall Scout Troop To Be Led By John M. Neece

White Hall—John M. Neece was appointed scoutmaster of White Hall Boy Scout Troop 142 at a meeting of the local troop committee last Tuesday. He succeeds Edwin Lee Roberts, who recently resigned after having saved the past year.

Neece will be assisted by his father, Ernest C. Neece. Both have had much experience in scout work. The meeting night has been changed to 7 p. m. Tuesday in the grade school building.

The Green County Odd Fellows picnic, which was discontinued during the war, will be resumed this year on August 1. It will be held in the Lions park on West Carlinville street in White Hall.

An open invitation golf tournament, sponsored by the White Hall Golf Club, Inc., will be held Sunday at the local course, east of White Hall.

Play will get under way at 9 p. m. and will be participated in by eight-man teams from Gillespie, Carlinville, Modesto, Litchfield, Staunton, Waverly, Palmyra, and White Hall. Prizes for first, second and third total medal scores will be awarded.

Vacation Bible School Closes At Baptist Church

The closing session of the two-week Vacation Bible school of the First Baptist church was held Friday morning. One hundred pupils have been enrolled in the school, and classes have been given in music, Bible stories, Bible studies, and handicraft.

At this last session pictures of the different departments, together with the superintendents and their assistants, will be taken.

A rehearsal of the program to be given Sunday evening at 7:30 in the auditorium of the church, will be held Saturday morning at nine o'clock. Certificates of award will be presented to the children at this Sunday evening meeting. The public is invited to attend and to inspect the handicraft work done by the students, which will be shown in the Sunday school rooms following the meeting.

Lions, Lionesses, Cubs Hold Annual Potluck Picnic

Jacksonville Lions, Lionesses and Cubs held their annual potluck picnic at Nichols Park Thursday evening with over 114 in attendance. The committee on arrangements was comprised of Lionesses Quigley, Husted, Knowles, Angel, Carter, Kirchhofer and Livengood.

Elmer Middendorf and Dr. Engelbach were co-masters of ceremonies. The program for the evening consisted of square dancing preceded by an exhibition of four squares of square dancing as given by Dr. and Mrs. Engelbach, Mr. and Mrs. Pryor, Beasly, Dr. and Mrs. E. Rollins, and Dr. and Mrs. Francis Angel.

All persons desiring to work driving horses or saddle horses on the fairgrounds track please register with the secretary 206-208 Gibson Building. Order Board of Directors.

Bicycling Co-Eds Visit Journal Courier Office

Pat Sorenson and Betty Wingreen, University of Minnesota co-eds who are cycling from Minneapolis to New Orleans, are shown today in Jacksonville. They expected to attend the municipal opera.

Press Search For Pair In Armed Theft Of Car Stolen At Arenzville

Morgan and Cass county sheriff's forces and state highway patrolmen in this area were searching last night for two unidentified men, who after forcing an Arenzville man from his automobile at the point of a gun, drove off in it. The pair are also suspected of a tavern robbery in Beardstown and the theft of a car in Jacksonville earlier in the day.

Ray Beard told officers that he had driven his car to a church in Arenzville where he was to pick up members of his family. As he pulled up before the church, he said, two men, one of them armed, strode up to his car and told him to get out of it. After they had driven off, he reported the theft to the Morgan and Cass authorities, who were already searching for a car stolen here Friday afternoon.

Andrew Ormiston, Jacksonville attorney with offices in the American Bankers building, notified the police department shortly after 4 p. m. yesterday that his 1947 maroon colored Buick coach had been stolen from its parking place just east of the metered district on East State street. It had been parked there about 9 a. m.

Ormiston's car was recovered near the church in Arenzville during the evening. Shortly after midnight the sheriff's office reported that Beard's 1938 Chevrolet had been found about four miles east of Concord.

Authorities believe there is a definite connection between the two car thefts and possibly with the Beardstown robbery.

Beard told officers that the man who was armed was about 35 years of age, five feet, eleven inches tall and weighed about 160 pounds. He was wearing a light shirt.

The two men were still at large early this morning.

Everybody Says: We've Got Plenty Of Rain For Now

City and farm residents alike agreed Friday that as far as this area is concerned the weatherman "can turn off the faucets anytime now." Another hard rain hit water-soaked ground during the afternoon.

Some farmers, particularly those in the Franklin vicinity, have done little field work since Saturday, June 12. Corn and soybeans have that rich, dark green color, but would enjoy some bright sunshine. Wheat is maturing a little slower than anticipated two weeks ago. But each day its color turns a bit more toward the golden tan which denotes harvest time.

Farmers in the hilled-out belt who want to plant riddled crops are especially handicapped by the surplus moisture of the past 12 days. Many rigs busy at the job were rained out early Friday afternoon.

Garden crops are making rapid growth these days. The cool, damp days have been especially beneficial to bramble fruits. And big crops of high quality black raspberries are being picked.

Winchester Church CLASS HOLDS PARTY Winchester—Members of the Baptist Sunday School class of Mrs. C. R. W. Frost attended a movie in Jacksonville at their monthly party held at 7:30 p. m. Thursday. About 20 members were present.

After the movie the group returned to Winchester for refreshments.

Cars Sideswipe Near Winchester During Heavy Rain

Winchester—A 1947 Oldsmobile, driven by James C. Lowe of Tulsa, Okla., and owned by A. H. Kuhlmann of Beardstown, was badly damaged when it and a 1936 Chevrolet driven by Harry Young of Winchester rural route four, sideswiped on route 106 near Winchester Friday at about 2 p. m. The accident occurred during the heavy rain. No one was injured.

Officers reported that Lowe was driving north on the highway and Young was heading south. As the machines hit, the car driven by Lowe ran into the ditch on the east side of the road at the north entrance driveway of the Midway cafe.

The Oldsmobile was badly damaged on the left side and was towed to a Winchester garage. Young's car was only slightly damaged and he was able to continue on his way. State patrolman Merle Balke and Sheriff Randall Killebrew investigated the accident.

Sny Basin To Get Million And Half Flood Bill Money

Construction funds for flood control projects were authorized Friday when President Truman signed the annual appropriation bill for army civil functions. It provides a record \$573,000,000 for the most extensive program of flood control and navigation projects ever undertaken in a single year.

The Sny basin in Adams and Pike county will receive one and one-half million dollars. The Coal Creek drainage and levee district in Brown county was allocated \$700,000.

Other Illinois projects in the bill are:

Kewanee Youth, 17, Elected Governor Of Boys State

Springfield, Ill., June 25—(AP)—Wayne Sullivan, 17 year old Kewanee high school graduate, was elected governor of the Boys State today in voting by 900 youths.

Young Sullivan, the Nationalist party candidate, won over Gordon Lucas, 16, of Rockford, running on the Federalist ticket. Sullivan was president of this year's senior class at Kewanee, editor of the school newspaper and captain of the track team.

The election of major officers climaxed the week-long gathering at the state fairgrounds sponsored by the American Legion. The boys are given lessons in practical citizenship, including operating their own government.

Elected with Sullivan to state office were Ray Brooks of Monmouth, lieutenant governor; Kay Harman of Wilmette, secretary of state; Edward Younger, Jr., of Round Lake Park, auditor; Abel Smith of Joliet, attorney general; Alex Traficanti of Chicago, treasurer; J. Leeds Bower of Mattoon, superintendent of public instruction and Robert Hoffman of Chicago, supreme court clerk.

All but Brooks and Bower were members of the Nationalist ticket. Five boys were elected as supreme court justices. They were Arlyn Lawrence of Rock Falls, Dan Eilers of Edwardsville, Robert McDonald of Champaign and Jerry Doherty and Paul Nickopoulos of Chicago.

The Boys State will end Sunday.

Virginia Area Voters Approve Community Unit School District

Virginia—With only 377 persons voting out of a possible 1600 to 1700 eligible, the community unit school district was voted in yesterday. The city of Virginia carried by a big majority, however objection were found in several urban districts.

The school districts were combined and voted on at five polling places, with the city residents casting their votes at the Farm Bureau office. The tabulations according to precincts is as follows:

	For	Against
Union No. 1	16	31
Pleasant Hill No. 2	31	28
Philadelphia No. 3	37	10
Hill No. 4	27	15
Mt. Pleasant No. 5	12	15
Total Urban vote	123	99
Virginia	143	12

Under the new unit, which is to be called Virginia Community Unit No. 64, a seven member board will have to be elected and they will control all of the schools in the unit from the first to the twelfth grades inclusive. Only three members will be allowed from any one precinct. The responsibilities of this new board include establishing the schools that will continue to operate and the conformation of teachers already hired by the old boards. Many problems will have to be ironed out, as it is reported most all of the rural districts would like to keep their schools intact, and there is also the possibility of overtaking the local facilities. There have been no petitions for members of the new board as yet, however due to the amount of fundamental details that will have to be tended to before schools can open in the fall, it is believed they will be forthcoming.

County Supt. Smith said he will call an election for board members within 30 days after the filing of petitions. It will then be the duty of the board to meet within 10 days to organize and start the groundwork for this new type administration.

Dogs Must Be Kept On Owners' Land: Humane Society

At the recent meeting of the Morgan County Humane association, it was decided that a concentrated drive against dogs running loose within the city limits would open August 1.

Jesse Wright, dog officer, has been advised of the decision and will accordingly. Major Henri Servais, secretary of the association, said last night. Any canine found loose on property outside of the owner's will be impounded and a notice bearing some description of said dog will be posted at the police station.

Board and rabies inoculation charges must be settled before the dog is released to its owner, and a certified registration slip from the health department must be presented. If a dog has not been claimed with 72 hours, it will be disposed of as the association deems best. All work will be in harmony with the city ordinance and state law, Major Servais said.

Plans for the second annual pet show which will be held in September were also discussed at the meeting, and a report was given of the association's activities during May.

Betty Caldwell Leaves For State Girl Scout Camp

Miss Betty Caldwell, daughter of Mrs. Margaret Caldwell, left Friday morning for Camp Widewaggon, a state Girl Scout camp, where she will be an assistant counselor this summer. Located on Lake Springfield, the camp is attended by about 50 girls from Springfield and the surrounding areas.

Miss Caldwell, a member of this year's graduating class at Jacksonville high school, resides at 1244 West College avenue. She will return to Jacksonville around the middle of August.
